

General Purpose Economy Dust Remover

- High-pressure compressed duster
- Widely used to remove dry dust and grit from PCBs, optics, machinery, circuitry and keyboards
- Plastic-safe
- High-purity, leaves no residue
- Very economical

Product Information

General Purpose Economy Dust Remover is a high purity electronics-grade duster that delivers a dry blast of inert gas to hard to reach surfaces. Use to remove dust, particles and moisture from any surface.

Clean hard-to-reach areas like keyboards or pin connectors. Use to quickly pre-clean surfaces by removing layers of loose grime and dust before using a solvent cleaner. Also, use to remove slow-drying solvents from under surface mount components or on circuit boards, connectors or optics. There are literally hundreds of uses.

The trigger spray allows easy single-handed operation. Plastic-safe and leaves no residue.

Technical Details & Cleaning Data	
Chemical Family	Petroleum Gases
Evaporation Rate	Instant
Odour	Odourless
Vapour Pressure at 20°C	68 PSIA
Health, Safety & Environmental Data	
Flammable	Yes
Flashpoint	< -60°C
VOC	550 g/L
RoHS, WEEE and REACH Compliant	Yes
GHS / HCS Pictogram	
Packaging	
Aerosol - 250 g (455 mL)	MCC-DST147
TriggerGrip™ Compatible	No
Aerosol Packaging	12 cans / box
Shelf Life	Unlimited
Recycle
